★★★★★ I GUSH about Dr. Calabrese and staff to friends and family. I came to your practice after being with a fabulous dentist in my hometown and hour away for over 15 years. I loved him, but was surprised to find Dr. Calabrese and staff to be even better on a couple of areas of quality and am happy our family has such a high-quality practice caring for our oral health. Besides the obvious attention to current dental-medical practices, everyone there is SO friendly. Dr. Calabrese is very approachable and attentive, and hygienist Nicole is gentle, yet effective in her cleanings. I'm glad we found your practice! Happy Spring!
